(CHICAGO; September 15, 2020) – [Oxford Hotels & Resorts, LLC](#), the Chicago-based hotel management affiliate of Oxford Capital Group, LLC, proudly announces today's launch of [Hotel Audrey](#) (166 E. Superior St.), in The Magnificent Mile shopping district and directly adjacent to other significant Chicago tourist attractions. Oxford worked closely with the investment firm [Fillmore Capital Partners](#) to implement the strategic repositioning of the hotel.

"We, like everyone in the travel and hospitality industry, are experiencing extremely challenging times. As such, it's particularly gratifying to be able to relaunch such a tremendous property in this environment," says John W. Rutledge, founder, chairman, and chief executive officer of Oxford Hotels & Resorts, LLC and its parent company, Oxford Capital Group, LLC. "The name 'Audrey' means 'noble strength,' and we felt this was a fitting moniker for a hotel that's emerging during this crisis. The new incarnation of this asset as Hotel Audrey brings refinement to the guest experience while encouraging uninhibited discovery and spontaneity. This is the kind of energy we know travelers are yearning for after months of isolation."

"Hotel Audrey's location is truly central to Chicago – it's surrounded by numerous dining and entertainment options on Michigan Avenue and the Lakefront, Gold Coast, and River North, and it's at the heart of the Streeterville healthcare district with Northwestern Memorial Hospital, Prentice Women's Hospital, and Lurie's Children's Hospital all within steps," says George Jordan, president of Oxford Hotels & Resorts, LLC. "In addition to everything the city has to offer, the property provides guests with a boutique experience enhanced by the hotel's spacious accommodations. These are some of the largest guest rooms in the city and we think our guests will be equally as comfortable in the open fitness center and lobby lounge areas."

The hotel's large onsite, state-of-the-art fitness center houses a plethora of elliptical, treadmill, and other workout machines by Precor, free weights, and other equipment.

All areas of the hotel and high-traffic public areas are sanitized at an increased frequency with approved disinfecting products. The property is following public health recommendations of the EPA and CDC and has adopted an Enhanced Sanitation Protocol. To learn more, visit the hotel's COVID-19 protocols [here](#).
